

COUNCILMEMBER DONNA FRYE
City of San Diego, Sixth District

MEMORANDUM

DATE: March 21, 2007
TO: Mayor Jerry Sanders
FROM: Councilmember Donna Frye
SUBJECT: Recycling Services at City Facilities

Donna Frye

I have recently learned that the City does not provide recycling services for three large City-owned facilities on Aero Drive. The new Serra Mesa-Kearny Mesa Library is particularly in need of recycling services, due to the amount of paper it generates. However, I am also very concerned about the Eastern Division Police Station and the City Engineering facility, because they do not have any recycling services either. I believe that the City should be setting an example, rather than adding more recyclable waste to our landfills. I would like to know when it would be possible to provide recycling services to all three facilities.

I would appreciate your review and response as soon as possible. Thank you for your attention to this important matter.
